IV. 完形填空 (10 分) 河北省 2012 中考题			
What's your idea about success? Some people say that the beginners have all the luck, but			
others believe that success1 only with practice. In fact, I feel both of these			
statements are not true all the time. Each is true in some ways2 not in			
others.			
For example, I went to a drawing competition many years ago and			
3surprisingly. As a prize, I got a film ticket to see "Titanic". I was really			
4 because it was the first time I had taken part in any competition. Thinking			
that I might be lucky again, I5_ joining in other art competitions. But the			
result was that I6_ won again. I accepted the fact that the other people had a			
7_ artistic ability than I did. Art was not something I was especially interested in			
and I had never practiced the different art skills. So, the8 I produced were not of a			
very high standard.			
These experiences taught me a lot. Though I might have been lucky9, I also			
need to put in hard work. As we know,10 makes perfect. So I believe success			
ouilds on less luck a	nd chance.
