IV完型填空
Learning English needs action. You 1 know all the learning tips, but if you don't start doing things, you wil
achieve nothing. The fact is that, if you want to learn English well, you must work 2 Here are some thing
you have to do:
• Read a story in English every day. 3 the new words in a dictionary.
· Listen to English programmes on the radio, or English materials on the Internet or your MP3 player. Try to
4 what is being said, and try to imitate(模仿) the speaker's pronunciation.
• Talk to 5 in English about the things you see around you.
What kind of person would do all these crazy things? Only one kind: the kind of person who enjoys doing them. I
you want to learn English well, you have to become that kind of person. You can't hate 6 these things

Have you ever heard of a person who became successful 7doing something he hated?
If you enjoy learning English, you will not feel it 8 to memorize new expressions and grammal fulles. The
: that the brain(大脑) easily remembers information on a subject that you 9 For example, it sometimes
reason is that the brain () cashly remove the reason is that the brain () cashly remove all likes 10 , he or she may know everything about World War II. If you ask a "normal person" to memorize all
those facts, he or she could never do it. So enjoy the process (过程) of learning English.

V阅读理解 A .
The for your a mail I'm really happy that we met each other on the Internet. How are your English classes
the country and your school. I live in Vancouver, and here most students start real mass
Grand language when they are in primary school. Others start in junior high school, students learn Field, but you can
ther languages too In my school you can choose either Chinese or French, or both. I chose to learn chinese.
have a lot of Chinese friends and I really like Chinese culture. My younger sister is also learning Chinese. This way we
talle to each other in Chinese and our parents won't understand.
Le Vene are also a lot of language schools. If someone wants to learn a foreign language, he can go to these
schools after regular classes. Most language schools offer Chinese classes. Also, many Chinese parents send their
or the species of they won't forget their native language.
The state of the tearning English is difficult. I think learning any foreign language is difficult. Chinese is difficult.
difficult for me, but we shouldn't give up. Next time I send you e-mail I'll try to write in Chinese and you can reply in
This way we'll help each other in learning a foreign language!
I'd also like to know what it is like to learn English in China. Could you tell me about it? I'm looking forward t
reading your e-mail.
