II. 完形填空 (10')						
Country music is very old. It came from the United States, Canada, Ireland and Great Britain. It is a mixture(混						
合体)of 1 from all of these places.						
In the west of America, cowboys had to take care of the cattle(牛). They had to watch them all day and all night						
because the cattle were nervous and 2 ran away. A cowboy's life was 3 and dangerous. When he						
was alone in the desert with the cattle, he drank strong coffee to4 awake at night. He also sang songs to						
the cattle to make them quiet. He sang about the stars and the moon, about his family and his friends. The cattle						
5 the cowboy and went to sleep. They would not run away6 he sang beautiful and peaceful songs.						
In the south of America, many people came from Ireland, Scotland and England. Other people came from						
France and Canada. They enjoyed their own kind of music. They used guitars, violins and other musical						
			bottles and plates. When they			
instruments, too. They also added(添加) instruments from their homes,7 bottles and plates. When they						

	8 their friends and families on holidays, they usually sang and played country music.						
Country music describes life9 It talks about love, jobs, home and money. It talks about friends and							
enemies, trucks and highways, farms and crops. People in many parts of the world like country music because							
everyone knows10 about these ideas. Also, many country music fans wear Western clothes and dance							
tog	gether to country music. Many b	oands all over the wo	orld now perform country	music.

IV	. 补全短文 (每空一词 10')						
		A					
An orchestra is a large group of 1 who play classical music. The main 2 of the orchestra belong							
to four main categories: strings, (eg. violins, violas, cellos), woodwind (eg. oboes, clarinets), brass, percussion.							
The orchestra is led by a conductor(指挥). The conductor makes sure that everybody plays 3, and shows							
the orchestra when to play 4 or loudly and when the musicians should stop and start 5							
B							
Mozart was a composer. He wrote classical music 1 operas. His music is difficult to play and sing.							
Musicians and singers train for a long time 2 they can play and sing Mozart's music, but pop and rock							
musicians don't train much. Their most popular instrument is the guitar. In America, black musicians often sing							
3	songs. They call this mu			c from America is jazz. This music			
often uses trumpets and other loud instruments. We use piano and violin to 5 all types of music.
