One of the most important things in the world is friendship. In order to have friends, you have to be a friend. But how can you be a good friend at school?

Listen — Listen when they are talking. Don't say anything unless they ask you a question. Sometimes it's not necessary for you to have anything to say; they just need someone to talk to about their feelings.

Help them — If your friend is ever in need of something, be there to help them. You should try to put them first, but make sure you don't do everything they want you to do. Try to take an extra (额外的) pencil or pen with you to classes in case (以防) they forget one. Have a little extra money in your pocket in case they forget something they need.

Be there for them — Try to make something for your friend to help make them feel better in hard times. Making cards and encouraging them are among the nicest things you can do for a friend. Marilyn Monroe, a famous U.S. actor, once said, "I often make mistakes. Sometimes I am out of control. But if you can't stay with me at my worst, you are sure not to deserve (值得) to be with me at my best." Always remember this! If you don't want to stay with your friends when they're in hard

times, then you don't deserve to be with them when they're having a good time!

\_\_\_\_\_ — Try to make plans with your friends. Go shopping, go for ice cream, have a party, go to a movie and so on. Take time to know each other even better by doing something you both enjoy. By planning things together, you both can have a good time. And you'll remember these things when you're all old!

21. While your friend is talking to you about his or her feelings, you should \_\_\_\_\_.

- A. give him or her some advice
- B. just listen unless asked
- C. calm him or her down
- D. share your feelings as well

22. When we provide help for our friends, we should \_\_\_\_\_.

- A. try to do everything for them
- B. put them before ourselves
- C. change their bad habits first
- D. ignore their faults

23. What can we learn from Marilyn Monroe's words?

- A. Life without a friend is death.
- B. A friend is easier lost than found.
- C. A friend in need is a friend indeed.
- D. A man is known by his friends.

24. What is the passage mainly about?

- A. How to find a good friend.
- B. How to help friends in trouble.
- C. How to be a good friend.
- D. How to make more friends.

## B

More than seven hundred years ago, the Prince of Wales had a very big and brave dog called Gelert. One day the Prince wanted to go hunting with his men. He told his dog to stay at home and look after his baby son. The baby was in a wooden cradle(摇篮), which was like a small bed. When the Prince came back from hunting, Gelert ran out to meet his master. He wagged(摇摆) his tail and jumped up to put his paws on the Prince's chest. Then the Prince saw the blood on Gelert's jaws and head. "What have you done?" the Prince said. He rushed into his house and looked for his baby son. The cradle was lying on its side on the floor. The clothes were torn and there was blood on them. "So you have killed my son?" the Prince said angrily. "You unfaithful dog!" He took out his sword and killed the dog. Just as Gelert was dying, he managed to bark. Then the Prince heard a baby call to the dog.

The Prince ran out of the house and saw his son lying on the ground unhurt. Near him was a dead wolf. Then the Prince knew that Gelert had defended the baby and killed the wolf. The Prince ran back into the house but he was too late. Gelert was dead. The Prince was very sad indeed. Tears ran down his face when he realized he had killed his faithful friend. The Prince carried the body of his brave dog to the top of a mountain and buried him there. After this, the Prince never smiled again. Every morning at dawn, he walked up the mountain and stood by the dog's grave for a few minutes.

If you go to Mount Snow in Wales, people will show you where Gelert is buried. There is a sign by his grave. It reminds people of a brave and faithful dog.

25. The Prince told the dog to \_\_\_\_\_ when he was leaving.

First of all, you must want to learn. If you are not interested in learning English, no class will help you and no book will help you. So you have to be honest with yourself. Ask yourself, "Do I really want to learn English?" If you can't answer "yes" to this question, it is better for you to set English aside until you're ready and willing to learn.

- Set goals (目标).

To learn English well, you must set some goals. 39 It will also help you to see your progress. Ask yourself, "What are my goals? What areas would I like to improve?" Think about what your goals are, and review once in a while to see that you are making progress toward your goals.

- Practice, practice, and practice.

After you have set your goals, you have a better idea of what you need to practice. Just like the athlete whose goal is the Olympics must train daily, you as a language learner must practice language every day to make progress toward your goal. 40.

A. Want to learn.

B. I think it is not easy to learn it well.

C. Make friends with some Americans online.

D. Reading is a very good way to learn new words.

E. The answers are as different as the people asking the question.
