书面表达(One possible version):

Dear Jack,

In the last letter, you asked me about the place I live in. I'm more than pleased to introduce it to you.

I live in an apartment in Chenglong Garden with my parents. Located in Huanggu District in Shenyang City, the neighborhood is nearby the famous Beiling Park. With many leisure squares and sports facilities provided, I often have fun as well as exercising around. Just next to my neighborhood is the supermarket Tesco, which makes it convenient for us to do shopping in it. Getting around is also convenient, as we can get anywhere by bus, by taxi or by subway.

I really enjoy living here and I'm looking forward to your visiting it one day.

Yours,
Lily
