Good reading tips.
Try to read at the right level (水平). Read something that you can (more or less) understand.
you need to stop every three words to use a dictionary, it is not interesting.
Try to increase the number of your new words. If there are four or five new words on a page, write
them in your notebook. But you don't have to write them while you read. Instead, try to gues
their meaning as you read: mark them with a pen. Then come back when you have finishe
reading to look them up in a dictionary and write them in your own vocabulary book. Then try t
remember them. Try to read regularly. For example, read for a short time once a day. Fifteen minutes every day
better than two hours every Sunday. Fix (固定) a time to read and keep to it. You could read for
fifteen minutes when you go to bed, or when you get up or at lunchtime.
Read what interests you. Choose a book or a magazine about a subject that you like, because yo
are going to spend time and money reading it. So, choose an interesting book. You can also rea
newspapers. There are many English newspapers in China. For example, 21st Century Teens.
is easy enough for you to understand it. There is something interesting in it.
