| 三.7  | 根据                             | 对话内容, 选出可           | 「以填入空白处的           | 勺最佳选项,有两           | 项为多余选项(5)。                |  |
| A: Hi, Liu Ming. I haven't seen you for a week. 1.   |                                |                     |                    |                    |                           |  |
| B: Oh, I was ill in bed for a week.  |                                |                     |                    |                    |                           |  |
| A: I'm sorry to hear that. 2.  |                                |                     |                    |                    |                           |  |
| B: Yes, they stayed at the hospital all the time.  |                                |                     |                    |                    |                           |  |
| A: 3   |                                |                     |                    |                    |                           |  |
| B: No, everything tasted salty and I could eat nothing.  |                                |                     |                    |                    |                           |  |
| A: 4   |                                |                     |                    |                    |                           |  |
| B: They asked me to drink more hot water, eat more fruit and vegetables.                             |                                |                     |                    |                    |                           |  |
|  | A: 5                           |                     |                    |                    |                           |  |
|  | B: Much better.                |                     |                    |                    |                           |  |
|  | A. At first, I felt very cold. |                     |                    |                    |                           |  |
|  | B. So you look very tired now. |                     |                    |                    |                           |  |
|  | C. What's wrong with you?      |                     |                    |                    |                           |  |
|  |                                | D. How do you feel  | now?               |                    |                           |  |
|  |                                | E. Did you eat mucl | h when you were    | ill?               |                           |  |
|  | ]                              | F. What did the doc | tor say?           |                    |                           |  |
|  |                                | G. Your parents mus | st be very nervous | s about you.       |                           |  |
| 四~   | <b>补全</b>                      | 短文(12)              |                    |                    |                           |  |
| Than   | ks f                           | or your1m           | essage, it was gr  | eat to hear from y | ou. You2 great fun, and I |  |
|  |                                | t to meet you.      |                    |                    |                           |  |
| I hope you will3_ me from my photo when I arrive at the airport. I'm quite                           |                                |                     |                    |                    |                           |  |
| tall, 4 short fair, and I wear glasses. I'll wear jeans and a T-shirt for the journey, but I'll also |                                |                     |                    |                    |                           |  |
| 5my warm coat. I've got your photoyou6so pretty, so I'm sure we'll find each                         |                                |                     |                    |                    |                           |  |
| other!   |                                |                     |                    |                    |                           |  |
| 五 阅读理解 (20)  |                                |                     |                    |                    |                           |  |
| Mrs More had two children.Sammy was seven years old, and his sister Annie was four.Sammy             |                                |                     |                    |                    |                           |  |
| went to school, but Annie did not. When Sammy was at home, he often played with Annie while          |                                |                     |                    |                    |                           |  |
| ice to his sister, and Mrs More was free to do her work quietly                                      |                                |                     |                    |                    |                           |  |

One Saturday morning, the two children were playing in the garden while their mother was cooking lunch. They were quite happy until Annie began to cry and ran into the kitchen to her mother.Mrs More stopped cooking and said," Why are you crying, Annie? "Sammy has broken my toy horse,"Annie answered, crying more loudly."How did he creak if?"her mother asked.Annie stopped crying, but did not answer for a moment. Then she said." I hit him on the head with it."

1. Sammy was
