三、阅读理解(每小题2分,共20分)

If there is a test at school today, you may feel awful(可怕的). Your stomach may ache and you may

have a headache. Maybe even your muscles(肌肉) feel tense(紧张的). That means you are too worried. You're worried about your test because you don't get ready for it, or maybe you're nervous because you don't do well during the usual schooldays. What should you do?

Ask for help. Talk to your mum, dad or your teacher. Talking to someone about it can make you feel better. They can help you find some solutions.

Prepare carefully. Do your homework. Study for the test. On the test day, you're more likely to feel that you know the answers.

Believe in yourself. Say to yourself, "I study hard and I'm ready to do my best." Don't tell yourself "I'm not good at it," or "I'm going to be in trouble if I get a bad grade." These thoughts can make it harder for you to do well.

Take good care of yourself. You'll feel better if you get enough playtime, sleep and nutritious(有营养的) food. This is important all the time.

A. they don't take care of themselves
B. they don't do well during the usual schooldays
C. they still don't want to get good grades this time
D. they are afraid their teacher will punish them
- () 3. What is the main idea of the first paragraph?
A. Why do your muscles feel tense? B. Learn to take care of yourself.
C. Fully prepare for the test. D. Why do you feel nervous before a test?
- () 4. Which is NOT true according to the writer?
A. Talking to your parents or teachers before a test may help you a lot.
B. Study hard for the test and you'll know all the answers.
C. Believe in yourself and this will help you get better grades.
D. It's important to get enough playtime, sleep and nutritious food.
- () 5. What's the best title for the passage?
A. Don't be nervous B. Believe in yourself
C. How to relax before a test D. The reasons why you worry about your test

Shopping on the Internet is becoming more and more popular. More and more people are using the Internet to buy things. Why do people use the Internet to shop? Some people say it is more convenient(方便的). They don't have to leave their homes to order something, and they can shop for anything they want at any time, day or night. Other people say they can find things on sale while they can't find them in the stores near their homes. Still other people say they can find lower prices on the Internet.

If you want to buy something on the Internet, you need a credit card(信用卡). You have to type your credit card number and information on the website and send it to the store over the Internet. You have to be sure that the store will not use your information in the wrong way. If you don't want anyone to get your credit card number and buy anything with it, you always have to be careful with your credit card. Because people sometimes steal credit card numbers from stores and restaurants.

For people who are too nervous to shop online, the Internet is also a good place to go window-
