Dear David,

How are you?

I've learned that Pro White is going to give us a talk on "How to be a good language learner next Saturday afternoon. He is my favorite teacher, you know, but unfortunately, I won't be able to attend the lecture as I am now studying English in New Orient Training School in Beijing, and I won't get back when the lecture begins. So I wish you could give me a hand to make up for the loss. Could you please make a recording of the lecture? At least I can listen to the lecture when I go back, and moreover, if I have any questions, I hope to get satisfactory answers from you. I would appreciate it if you could do me the favor. Many thanks.

Look forward to seeing you again soon.

Yours sincerely,

Li Hua
